## GENERAL REQUIREMENTS TO PAPER FORMATTING

### Short description of the journals

Scientific journal “**Pedagogical Sciences: Theory, History, Innovation Technologies**” approved the ministry of Science and Education of Ukraine as a professional scientific edition in educational sciences, which publishes the main results of the dissertations (Order of the Ministry no. 1021 dated 07.10.2015). Indexed in Index Copernicus Master List and CEJSH. Issued 10 times per annum.

## GENERAL REQUIREMENTS TO SCIENTIFIC PAPERS

The editorial board accepts papers that were not published previously. The journal is issued in Ukrainian and English.

Scientific papers in the Ukrainian language should include the following elements: setting of the problem in general and its connection to the main scientific or practical tasks; analysis of the latest research and publications on the subject, which have initiated solving of the investigated problem on which the author's concept is based, defining the unsolved parts of the issue which the paper deals with; objective of the paper (setting of the task), statement of the main research material with full substantiation of the scientific results; conclusions of the research and statement of prospective investigations in the given sphere. To fulfill the necessary requirements to scientific article the following elements of the paper should be typed in bold: **statement of the problem, analysis of actual research, the aim of the paper, the methods of the investigation, statement of the main research material; conclusions. In the papers written in English the following elements should be highlighted Introduction, Analysis of relevant research, Aim of the Study, Research Methods, Results, Conclusions.**

**Volume of the paper** including references, should make up to 12-20 A4 format pages. The text should be 1.5 spaced, use 14 point Times New Roman typeface, margins: upper and lower – 2 cm, left – 2.5 cm, right – 1. The filename should contain the author's last name, e.g.: Petrov\_stattikonf.

While formatting the paper the authors should follow specific rules:

- Do not use tabulation and multiple spaces to format the text;
- Use to following quotation marks «»;
- Use a hard space between the Surname and initials (ctrl+shift+space bar);
- Use graphic elements created with graphic editors with high quality images;
- Send documents saved in .doc format.

The manuscript should be completed according to the State Standard DSTU 3008-95. In the upper left corner of the first page of the manuscript there is UDC, in the right – surname and initials of the author (s) and the name of the institution, below in the middle line – paper title in capital letters. Between the name of the institution and the paper title – spacing 2. The same spacing is between the headline and summary.

The papers can be sent to

– *in scientific journal* “**Pedagogical Sciences: Theory, History, Innovation Technologies**” via e-mail to [**pedagogikanauka@gmail.com**].

The paper is accepted only after checking for plagiarism and double blind peer review by independent experts. The paper should be proof-read and edited according to the rules.

Your file should include the information about the author(s): first and last name, affiliation, position, scientific title, scientific degree, e-mail address, contact phone number.
